Anyone here have time to do a peer review? There's no checklist.

Has anyone reviewed the report? I'd like for this to be reviewed prior to filing away. Did you prepare a summary report? I'd like to see that so we can determine if we want to share the information.

Cindy,

I still have the pph/mchm holding time study that I worked on sitting here at my desk. I worked it all up

and have the physical report finished. You said a few weeks ago that you wanted to archive it somehow.

What would you like me to do with the data? Maybe we could include it with one of the MCHM work orders or something like that.
